Saxon Motorcycles Europe has an official dealer in Russia
Moscow is now Russian center for Saxon

Saxon Motorcycles Europe is proud to announce that they have an official dealer in Russia: Wolf Brothers. From now on all European Saxon models are available in Russia. The Saxon showroom of Wolf Brothers is located in Moscow.

Saxon Motorcycles Europe is excited, the owners give their reaction: "Russia is really developing as a motorcycle country, it is fantastic to have an official Russian dealer" says Rinke Andringa, owner of Saxon Motorcycles Europe.

Eugene Zabanov, spokesman of Wolf Brothers adds: "With our brand new shop we have the opportunity to show the Saxon bikes perfectly. Excellence and bold design, that is what they have." Owner Alexei Ryndin emphasizes: "Everyone is welcome here, in our shop and in the café."

In Russia riding a bike is becoming a serious hobby for a lot of people. The beautiful landscape, the distances and the tough appearance of the Motorcycles give people the ideal opportunity to riding a bike in Russia. From now on that can be experienced on a true Saxon motorcycle. These motorcycles are custom produced, with an extreme, stylish charisma. At the same time they drive very comfortably, which is a positive surprise for lots of people. "This cooperation between Saxon Motorcycles Europe and Wolf Brothers will make it possible that the popularity and the sense for custom motorcycles will be communicated to the consumer very well" concludes Frank Vermeulen, co-owner of Saxon Motorcycles Europe.

Saxon Motorcycles Europe has 4 models: Warlord, Firestorm, Henchman and Whip. All the Saxon models have the European Type Approval. Also the Russian homologation for these models has been achieved. Herewith all Saxon motorcycles apply to the new and strict Russian legislation. Therefore Wolf Brothers can officially register all Saxon motorcycles.

At this moment Saxon Motorcycles Europe is preparing the introduction of two new European models.

General information about Saxon Motorcycles Europe and their models can be found on the internet via www.SaxonMotorcycles.eu or on www.saxonmotorcycles.ru.
